INTERVIEW SUMMARY

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

The undersigned wishes to thank the Examiner for her assistance in connection with the above-identified application. As has been discussed, it is applicant's desire to combine the allowed claims of Application Serial Nos. 10/519,112 and 11/819,066 into a single application.

Accordingly, during a telephone interview earlier today, the Examiner stated that if this application (Serial No. 10/519,112) were expressly abandoned, she would add the claims from this application into the divisional case (Serial No. 11/819,066) by Examiner's amendment. Accordingly, applicants are concurrently filing a Notice of Express Abandonment in application Serial No. 10/519,112.

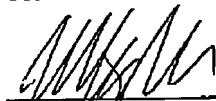

U.S. Application Serial No. 10/519,112  
Atty. Dkt. No. P70305US0

The Examiner stated that in view of her earlier determination that the sets of claims from each application (Serial No. 10/519,112 and 11/819,066) are allowable - with some minor changes which have been previously discussed with and approved by the undersigned and which will be added by Examiner's amendment - application Serial No. 11/819,066 will be allowable with the claims from application Serial No. 10/519,112 included, if application Serial No. 10/519,112 were expressly abandoned.

The Examiner is invited to telephone the undersigned if she has any questions.

Respectfully submitted,

JACOBSON HOLMAN PLLC
